

## VITA: R. TYRRELL ROCKAFELLAR

### Education:

A.B., Harvard College, 1957 (Mathematics, summa cum laude,  $\Phi$ BK)  
Fulbright Scholar, University of Bonn, 1957–58  
Ph.D., Harvard University, 1963 (Mathematics)

### Academic affiliations:

University of Texas (Austin): Asst. Professor, 1963–65  
University of Washington (Seattle): Asst. Prof., 1966–68; Asso. Prof., 1966–68;  
Professor, 1971–2002; Professor Em., 2003–  
University of Florida (Gainesville): Adj. Research Prof., 2003–

### Visiting positions:

Mathematics Institute, Copenhagen: Research Scholar, 1964  
Princeton University, Visiting Assistant Professor, 1965–66  
University of Grenoble (France): Visiting Professor, 1973–74  
University of Colorado (Boulder): Ulam Visiting Professor, Autumn 1978  
Internat'l Inst. of Applied Systems Analysis (Vienna): Researcher, 1980–81  
University of Pisa (Italy): Visiting Professor, Summer 1991  
University of Paris-Dauphine (France): Visiting Professor, Spring 1996  
University of Pau (France): Visiting Professor, Summer 1997

### Editorial:

SIAM Journal on Control and Optimization:  
Editor, 1973–78; Assoc. Editor, 1969–73 and 1979–1990  
Mathematics of Operations Research: Area Editor, 1976–1986; Advisory, 1986–  
SIAM Journal on Optimization: Editor, 1990–95  
Mathematical Finance: Advisory Editor, 1991–2001  
Archives of Control Science: Editorial Board, 1992–  
Set-Valued Analysis: Editorial Board, 1992–  
Convex Analysis: Editorial Board, 1993–

### Organizational service:

Mathematical Programming Society: Governing Council 1975–78  
Internat'l Inst. of Applied Systems Analysis (Vienna): Collaborator 1978–2001  
Institut des Sciences Mathématiques (Montreal): Advisory Panel 1992–  
FONDAP Program in Applied Mathematics in Chile: Scientific Committee 1997–

### Honors:

Dantzig Prize (SIAM and the Math. Programming Soc.), 1982  
Doctor Honoris Causa, University of Groningen (Netherlands), 1984  
Von Neumann Citation (SIAM), 1992  
Doctor Honoris Causa, University of Montpellier (France), 1995  
Lanchester Prize (INFORMS), 1998  
Doctor Honoris Causa, University of Chile, 1998  
John von Neumann Theory Prize (INFORMS), 1999  
Doctor Honoris Causa, University of Alicante (Spain), 2000
